

Dear Friends of the Ohio Theatre:

As a donor, your gifts directly impact our work. You have our deepest gratitude for your support of the Ohio Theatre. Your belief in the importance of our mission and its role within our community provides vital support. Yet, so much more work remains.

Through donations and grants, LTAC has accomplished much over the past eight years, including helping with new carpeting, major cleaning and painting throughout the theatre while the Village of Loudonville added new bathrooms and fire escape/handicap ramps. We've replaced stage and house lighting systems, upgraded our microphone system, added digital displays out front and installed a mechanical movie screen. The stage was also extended with a removable pit cover, and the sound/tech booth was expanded. Both the Mohican Community Theatre and our "Arts Alive" program for students have grown dramatically. There are more movies, live shows and events happening at The Ohio Theatre than there have been in decades.

We think you'll agree that we have such a beautiful theatre with so many wonderful opportunities. The more individuals and businesses that are willing to help, the more entertainment, educational and performing opportunities we are to provide for our community.

Would you please consider a gift to this year's campaign? Donors who contribute \$150 or more will once again have their names appear on the screen as a special thank you prior to all movies through December 2025.

For your convenience, a gift envelope is enclosed for your use. Please visit our website at www.theohiotheatre.com for more information, if you wish donate online via PayPal, or simply scan the QR code at right. The show doesn't go on without you!

Sincere regards,

Marissa Burd
