Arts Alive Art Camp is a visual arts day camp for creative kids between the ages of 9-18 or going into 4th-12th grades. Arts Alive fosters an encouraging atmosphere of creativity, learning and fun! It helps to draw out the natural gifts and talents of children to help them create something unique, professional, and fun! During the week kids will learn basic elements and principles of design, perspective, color mixing, painting techniques, medium, graphic design and much more. Students will get to create their own masterpiece which will be displayed at a special Artist Showcase Event for family and friends at the end of the week.

Our Arts Alive Art Camp instructor, **Lara Spreng**, has been drawing ever since she can remember. She has studied oil and acrylic painting, drawing, design, ceramics, and photography at both the high school and collegiate level. Locally, she taught acrylic painting for 3 years in Loudonville's Arts in Action afterschool program, painted the windows at the library for multiple summer reading programs, created numerous painting projects in the local schools, Lara has been a part the Arts Alive Summer Programming for 9 years. She also created an afterschool art club for the LP Jr High and helps to paint sets for Mohican Community Theatre.
