

Dear Friends of the Ohio Theatre:

On behalf of the Loudonville Theatre and Arts Committee, the charitable arm of the Ohio Theatre – and all the people of our Mohican Country – thank you for your past support for our annual fundraising campaigns:

You have been very generous to LTAC in the past. Your gifts have allowed LTAC to accomplish much over the past nine years. Major improvements throughout the theatre, including the replacement of major stage and house lighting systems, a new movie screen and upgraded sound system, among other upgrades. Both the Mohican Community Theatre and our “Arts Alive” program for students continue to grow thanks to your support. Over the years, the annual fund has received more than \$151,000. Thank you!

Please know that your ongoing trust in us and support for our programs means to our community. Your generosity also supports so many wonderful opportunities. The more individuals and businesses that are willing to help, the more entertainment and performing arts programs are provided for our community.

**Would you please consider a gift to this year’s campaign? Donors who contribute \$150 or more will once again have their names appear on the screen as a special thank you prior to all movies shown through December 2026.**

For your convenience, a gift envelope is enclosed for your use. Please visit our website at [www.theohiotheatre.com](http://www.theohiotheatre.com) for more information, if you wish to donate online via PayPal, or simply scan the QR code at right. As always, the show doesn’t go on without you!

Sincere regards,
